- SCOPUS
- DOAJ
- EBSCO
- EBSCO Abstracts
- TUBITAK ULAKBİM TR Index
- China National Knowledge Infrastructure (CNKI)
- Gale
- CAB Direct
- CABI Forestry Abstracts
- CABI Forest Products Abstracts
- CABI Environmental Science Database
- CABI Horticultural Science Database
- CABI Soil Science Database
- CABI Soils and Fertilizers Abstracts
- CABI Plant Genetics and Breeding Database
- CABI Plant Genetic and Resources Abstracts
- CABI Plant Protection Database
- CABI Review of Agricultural Entomology
- The French National Centre for Scientific Research (bibCNRS)

All content published in the journal is permanently archived in Portico.

Aims, Scope, and Audience

Forestist aims to make a valuable contribution to the academic literature by publishing manuscripts of the highest scientific caliber across all fields of forestry. The journal publishes original articles, reviews, and concise notes prepared by ethical guidelines.

The journal's scope is extensive, encompassing topics such as forests, forestry, forestry-related industries, landscape, and the environment.

The journal's primary audience comprises specialists and professionals actively engaged in various disciplines of forestry, reflecting its commitment to catering to the scholarly community with a robust interest in this field.

You can find the current version of the Instructions to Authors at <https://forestist.org/>.
