FORESTIST

Official Journal of İstanbul University-Cerrahpaşa, Faculty of Forestry

Formerly Journal of the Faculty of Forestry İstanbul University

AIMS AND SCOPE

Forestist is an international, scientific, open access periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is the official publication of İstanbul University-Cerrahpaşa, Faculty of Forestry and continues publication since 1951. Forestist is published tri-annually on January, May and September and the publication language of the journal is English.

Forestist aims to contribute to the literature by publishing manuscripts at the highest scientific level on all fields of forestry. The journal publishes original articles, reviews, and brief notes that are prepared in accordance with the ethical guidelines.

The scope of the journal includes but not limited to; forest, forestry, forestry based industries, landscape and environment.

The target audience of the journal includes specialists and professionals working and interested in all disciplines of forestry.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

Forestist is currently indexed in Web of Science-Emerging Sources Citation Index, DOAJ, TUBITAK ULAKBIM TR Index, Gale, EBSCO Abstracts, CAB Direct, CABI Forestry Abstracts, CABI Forest Products Abstracts, CABI Environmental Science Database, CABI Horticultural Science Database, CABI Soil Science Database, CABI Soils and Fertilizers Abstracts, CABI Plant Genetics and Breeding Database, CABI Plant Genetic and Resources Abstracts, CABI Plant Protection Database, CABI Review of Agricultural Entomology.

All expenses of the journal are covered by the İstanbul University-Cerrahpaşa, Faculty of Forestry. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at www.forestist.org. The journal guidelines, technical information, and the required forms are available on the journal's web page.

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the İstanbul University-Cerrahpaşa, Faculty of Forestry, editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Forestist is an open access publication and the journal's publication model is based on Budapest Open Access Initiative (BOAI) declaration. Journal's archive is available online, free of charge at www.forestist.org. Forestist's content is licensed under a Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License.

You can find the current version of the Instructions to Authors at <https://forestist.org/>.

FORESTIST

Official Journal of İstanbul University-Cerrahpaşa, Faculty of Forestry

Formerly Journal of the Faculty of Forestry İstanbul University

CONTENTS

ORIGINAL ARTICLES

- 105 Diametric Increment Patterns of Open-Grown and Under Competition *Pinus taeda* L. Trees in Southern Brazil
Cristine Tagliapietra Schons, Emanuel Arnoni Costa, Lorena Oliveira Barbosa, César Augusto Guimarães Finger
-
- 112 Proposals of Rehabilitation and Management Actions for the Protection of Sclerophyllous Forests Affected by Forest Fires
Miguel Castillo Soto, Alvaro Plaza Valencia
-
- 120 Spatial Analysis of Forest Area Development in Central Lika (Republic of Croatia) in the Period 1980–2012
Marta Hamzić
-
- 129 Determining the Best Dimension of Transversal Drainage for a Forest Road Network by Employing Hydrological Models
Ramin Naghdi, İsmail Ghajar, Mehrdad Nikooy, Mehrab Moradi, Farzam Tavankar
-
- 137 Evaluation of Land-Use and Land-Cover Changes in Oba Hills Forest Reserve, Osun State, Nigeria
Adesoji Akinwumi Adeyemi, Moses Olayemi Ayinde
-
- 149 Ecological Impact of Forest Trails in Khadimnagar National Park, Sylhet, Bangladesh
Minhajur Rahman, Mohammed , Anup Datta
-
- 156 Vascular Plant Diversity of Esenli (Giresun) Forest Planning Unit
Mustafa Karaköse
-
- 165 Determination of Selection Criteria of Plants in Urban Coastal Landscapes: An Example of the Eastern Black Sea Coast, Turkey
Hilal Kahveci, Cengiz Acar
-
- 175 Response of *Pinus nigra* subsp. *pallasiana* to Precommercial Thinning in a Humid Region Under the Oro-Mediterranean Climatic Conditions
Ayşe Deligöz, Esra Bayar, Musa Genç, Yasin Karatepe
-
- 183 Comparisons of Deng Entropy-Based Taxonomic Diversity Measures with the Other Diversity Measures and Introduction to the New Proposed (Reinforced) Estimators
Kürşad Özkan, Ahmet Mert
-
- 192 General Characteristics and Distribution of Forest Relicts in Central Anatolia
Gülzade Kahveci
-
- 199 An Analysis on the Competitiveness and Specialization Levels of the Countries in the Export of Wood and Articles of Wood
Kazım Sarıçoban, Elif Kaya
